ARCHITECTURAL PANELS SILHOUETTE

Sheer Brilliance

Silhouette by Lenmak Exterior Innovations Inc. is a window to your imagination. 2-D and 3-D modeling technology allow us to perfectly illustrate repeating geometric patterns or full scenes using a variety of perforated shapes. Soft diffused light, reflective metallics, and vivid colours offer nearlimitless design opportunities, while in-house design, local manufacturing, and environmentally-sensitive business practices make your vision possible.

Product Features

-  *Aluminum*
-  *Stainless steel*
-  *Customizable profiles*
-  *Patterns/full scenes*
-  *Powder-coated finishes*
-  *Durable*

Since 1996, Lenmak Exterior Innovations Inc. has been a leader in the automated manufacturing of exterior panels, cladding, roofing, and insulation using innovative, state-of-the-art technology.
