

WALL CLADDING LATITUDE

CUSTOM METAL PANELS

Flexibility and Function

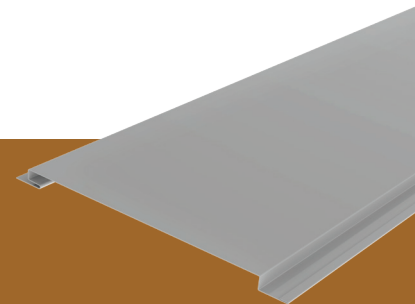

The Latitude product line from Lenmak Exterior Innovations is made to order and produced on-demand to meet your needs – and your budget. Available in a variety of widths, depths, and lengths, it can bend around corners and soffits, and comes in dozens of prefinished colours. Better still – it pairs the cost-effectiveness of single-skin cladding with the beauty of architectural panel systems.

Product Features

-  *Concealed fastening*
-  *Secured with SlipClip*
-  *Length up to 20'*
-  *Pre-finished 1.5mm Aluminum*
-  *Post-painted 1.5mm Aluminum*
